Conditional Order Lifting Automatic Stay
Case No. 23-30672-WAK

Dear Mr. DiMino, Jr. and Counsel:

Pursuant to the Conditional Order Lifting Automatic Stay (the "Order") entered in the above case, you were required to make your regular monthly payments to M&T Bank on or before the 1st of each month. Please be advised that payment has not been received by M&T Bank for November through December of 2024 and January through March of 2025.

You are hereby notified you are in default of the Order and you have ten (10) days from today to cure the default and make the required payments. If the default is not cured within ten (10) days, M&T Bank will proceed with an ex-parte order lifting the automatic stay.

Thank you for your prompt attention to this matter.

Very truly yours,

Tyler J. O'Neill, Esq.
